Learning about the Success Secrets reinforced my belief that I was doing the right things to settle successfully in Canada. Attending your seminar gave me a stronger sense of purpose, and gave me a great chance to meet fellow newcomers and share experiences.

I was very impressed with the whole meeting on Wednesday evening. The meeting was very helpful, informative and also instilled plenty of encouragement to persist in reaching for your goals. Thank you for your time and patience in assisting new immigrants to Canada adapt and integrate into a new way of living in Canada.

With kind regards, **Maylyn**

The seminar at Progress and Grangeway branch yesterday received great positive feedback from the field. They were all quite excited about the engagement with clients. Also, I thought that you delivered a very good seminar. You were engaging the clients, had great examples to offer, and could help clients relate to the content very well. One of the stories you used when speaking to the point of being positive (the 2 wolves' story) was outstanding. Your seminar has greatly helped in ensuring the sustainability of this program.
